Date 13-1-19

Sir,

It is reported that a Hupeh man named Yoong 熊, a member of the Koh Ming Tang who was displeased with the action of his party in assassinating Admiral Tseng, has now turned spy for the Chinese Government.

It is reported that Messrs Pay Dzung Sung 貝潤生 and Ling, both prominent members of the Shanghai Chamber of Commerce, have through fear contributed \$50,000.00 and \$30,000.00 respectively to the funds of the anti-monarchical party.

At 3 p.m. 11th inst a man named Hsu Tuh Sun 許得勝 was shot at and wounded in the arm on the Boulevard des deux Republics. The shot is alleged to have been fired by a Chinese Government detective named Loh Tsung San 陸春山. The latter and an accomplice named Sung Koh Sung 孫克仁 who is also said to be in the Government detective service are at present in custody of the French Police. It is reported that the wounded man is the second of a French detective and that a quarrel about the division of some bribe was the cause of the shooting.

Owing to a report received by the Shanghai Military Authorities that the rebels intend to make trouble commencing from 12th inst, nobody is allowed on the streets of the City after 8 p.m.

It is reported that the anti-monarchical party have succeeded in winning General Feng, Governor of Kiangsu, to their side, and that he will declare the independence of his province within a few days.

The Commander of the cruiser Chaoho who has been detained since that vessel was seized by the rebels was sent on a warship to Peking yesterday.

It is reported that Liang Chi Tsao 梁紀超 does not intend to leave Shanghai and that he has ordered a telephone for his house. It is said that Yuan Shih Kai through some mutual friends has promised to give him a large sum of money if he will return to Peking and support the monarchical movement. Liang has declined the offer.

Your Obedient Servant,

Chief Detective Inspector.
